### PROPERTY DESCRIPTION

Tropical and charming, this elegant Caribbean-Style cottage is situated on 230ft of seafront on the Southern Coast of Grand Cayman in the Cayman Islands. Built on massive concrete footings to approximately 10 ft above sea level, the 2831 sq. ft. house has 2 large primary bedrooms, a bonus bedroom or study, huge gourmet kitchen and a spectacular wide veranda that overlooks the private pool and beach front with amazing views of the Caribbean Sea. The basement is approximately 1400 sq. ft and could be easily converted to an additional living area or gym. Other improvements also include a concrete seawall and separate generator building.
